18' ECONOMY MOBILE RESTROOM

The 18' Economy Mobile Restroom trailers are perfect for those situations where elegance is a must but where space is limited. With luxury in mind these units features fresh hot and cold running water, metering faucets, stereo sound system, heating and air conditioning, interior and exterior lighting, oak vanity cabinets, porcelain toilets and sinks, and separate entrance doors for both the women and men areas. These are equipped with TV/DVD players so your guests can catch a glimpse of a favorite movie, a slideshow of family or event photos, or "The Big Game" that no one wants to miss! These units may also serve as a V.I.P. private restroom area in conjunction with a larger trailer for your event. If you are looking for the ultimate in luxury from a midsize restroom facility the 3 stall series is the choice for your event.
